STEP Code Education Series

Join the CHBA South Okanagan and Mark Bernhardt B. Sc. CEA CPHC from Bernhardt Contracting for the CHBA STEP Code Education Series. This series will focus on Step Code Requirements and how it relates to Part 9 buildings in Climate Zone 5.

Designing for STEP Workshop Part 2 16 CPD Course

8 am - 4 pm, Friday, May 8

Penticton Lakeside Resort - Merlot Room

CHBA Members - \$100

Non-Members - \$200

Part 2 will focus on Thermal Energy Demand Intensity and Mechanical Energy Use Intensity. Part 1 is not a pre-requisite to Part 2.

Designing a “sealed” building:

- Design for TEDI (Thermal Energy Demand Intensity)
 - Shape of building
 - Insulation and windows
 - Where homes loose heat and rated energy is used
- Design for MEUI (Mechanical Energy Use Intensity)
 - Heating, cooling
 - Hot water system
 - MEUI per metre of floor area
 - Examples on houses not done correctly
 - HRVs inside and out
 - Modelling feedback and optimization

This full day workshop will include light snacks and lunch. To register, fill out the below information and send to info@chbaso.org. Contact the CHBA South Okanagan office for further information at 250 493 0001.
